November 2014

Dear Friends in Christ,

We have been blessed to be in a number of meetings in the greater Toronto area for the last several weeks. Two of those churches have taken us on for support. It is wonderful to see how the people of Canada have such a burden to help reach people in other parts of their own country.

We have had a number of great opportunities to minister and be a blessing to others. Christy was able to spend time with a group of Bible college ladies, and also spoke briefly at a ladies' brunch. I was privileged to speak in several different classes and chapel in the Christian school, and also spend time with the Bible college men.

It has been a blessing to see the Lord working in people's hearts. Several young people at various churches have surrendered to full-time service, and one young man raised his hand for salvation.

God has been very good to us. We were in a conference recently and the people gave towards some specific needs. We were given money for new tires, some winter clothes for Vera, money for Bible lessons, and a new winter coat for Christy. We praise the Lord for the generosity of His people.

We have several praises to share with you: God has abundantly provided for our needs, four new churches partnered with us in the last month to reach Labrador, and God has used us to challenge others for the cause of world-wide missions. We appreciate your prayers for us for safety in our travels, and for God's blessing as we have several more meetings before the end of the year. Please pray also for our future co-workers, the Dinsmores, who are already in Labrador. Pray for them for wisdom as they continue to try to reach people with the Gospel of Jesus Christ.

For the Gospel and His glory,

Nate, Christy, and Vera Minion
