December 2014

Dear Friends in Christ,

As I write this letter, it is 1° F in Goose Bay, Labrador, with blowing snow and -20° F windchill. While that is pretty cold, there is something that is even colder: the spiritual condition of many people in Labrador. Satan "hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ...should shine unto them." Many false religions are further adding to the spiritual confusion in the hearts and minds of the Labradorian people. Please continue to pray for us as we prepare to take the light of the Gospel to Labrador.

We have had meetings in Virginia, Maryland, and North Carolina in the last several weeks. We praise the Lord that two more churches have partnered with us to reach Labrador. We have been praying that we that we would hit close to 40% of our needed support by the end of 2014, and God has answered that prayer, as we have just reached 36%! We also expect to hear from several more churches in the next few weeks.

Our Thanksgiving was spent at home in Virginia. It was nice to have time to spend with family and reflect on all that God has done for us this past year. We also look forward to spending several days with family for Christmas, and are thankful for several weeks to rest and relax before we hit the deputation trail hard again. Starting on January 4, we have quite a busy schedule. We are excited about presenting our ministry in Labrador to many more churches in the months to come. We thank God for all of you! We couldn't do what we are doing without your faithful prayers and support!

For the Gospel and His glory,
