Dear Fellow Laborers in the Gospel,

Two souls have been saved in Labrador! Our future co-worker, Darren Dinsmore, was able to lead a couple to the Lord about three weeks ago! Their names are Alex and Jojo. Please pray for their growth and understanding of spiritual things. It is wonderful to see how God is already working in the lives of people in Labrador!

Thank you so much for your prayers and support! We are praising God for what He has done in our lives recently. Several more churches have partnered with us during this last month, bringing us to 50% support! We are halfway to Labrador!

We have had a number of meetings lately that have been such a great blessing to us in many ways. After we got back to Virginia from Texas at the beginning of February, we had several meetings and conferences in Virginia and North Carolina. We were also able to be at our home church for a Wednesday night service, and I had the opportunity to preach.

We just finished up a wonderful conference in South Carolina. We have several more conferences and meetings this month in Virginia, North Carolina, South Carolina, and Pennsylvania. Our travels will be back and forth between these states, so we covet your prayers for safety while driving.

Thank you for your prayers about my jury duty situation. I was able to get it deferred until December, so it will not interfere with any of our meetings this month.

For the Gospel and His glory,

Nate, Christy, and Vera Minion
