July 2015

Dear Fellow Laborers in the Gospel,

These last two months have been quite busy! At the beginning of June, we attended our second session of candidate school at BIMI headquarters in Chattanooga, TN. We had an extremely busy week with a full schedule of classes each day. We enjoyed learning from the experiences of the directors as they taught on practical aspects of the ministry. It was also a blessing to see many fellow missionaries that we met last year, and also to meet the new incoming candidates.

Since our last prayer letter, we have had meetings in eleven different states, and have driven over 10,000 miles! We count it such a blessing to be able to present our ministry to many churches and make new friends across the country.

We praise the Lord for His many blessings upon us. We have gained several new supporting churches, and we currently have 63% of the support we need for Labrador. We are excited about the ministry God has for us, and cannot wait to move to Labrador!

This month, we will have meetings in Virginia, Florida, and Georgia. Please pray for safety as we travel, and for effectiveness as we minister to people and churches. We thank God for each church and individual who faithfully holds us up in prayer. Please continue to pray for Christy's pregnancy, and for our preparations for the Vacation Bible School in Labrador taking place in August.

If you would like to receive periodic status updates & pictures of our deputation travels, please visit our Light to Labrador page on Facebook.

For the Gospel and His glory,

Nate, Christy, and Vera Minion
