October 2015

Dear Fellow Laborers in the Gospel,

It seems as if September has just flown by! This month has been quite busy with many meetings. We started off the month with a meeting in Rhode Island, and then two meetings in Pennsylvania. From there, we traveled down to Tennessee where we were privileged to take part in a missions conference. We were able to spend a few days with family in western Virginia before presenting our ministry during a missions Sunday at a church in Chattanooga.

Last week, we were in a missions conference in North Carolina at a church where we have many friends and some family. Each of these meetings was a great blessing to us, and we are so thankful for the opportunities we had to meet new friends and present our ministry in Labrador to these churches.

We always enjoy meeting other missionaries and hearing about their burden for their fields of service. Our hearts have been stirred many times for the needs all around the world. It is wonderful to hear other missionaries preach and challenge people about missions and reaching people with the Gospel.

Our support level is currently 78%. Several new churches have joined with us in the last few weeks to help us reach Labrador with the Gospel. We praise God for His provision for us. We are praying for a certain goal to be reached by the new year. Please continue to pray that God would provide the remaining support quickly so we can move to Labrador in April, Lord willing.

We look forward to taking part in several missions conferences this month in Maryland, Pennsylvania, and North Carolina. Please continue to pray for Christy as the pregnancy progresses. Her due date is November 14th. Vera is growing by leaps and bounds and is excited about being a big sister as well. Thank you so much for your prayers, support, and love for us as we endeavor to serve God!

For the Gospel and His glory,

*Nate, Christy, and Vera Minion*
