Dear Fellow Laborers in the Gospel,

Labrador has already gotten some snow and the temperatures are regularly below freezing. The cold weather we see on the forecasts remind us of the cold hearts of the people of Labrador. Satan has *"blinded the minds of them which believe not, lest the light of the glorious Gospel of Christ...should shine unto them."* Please pray with us that God would do a great work preparing the hearts of people in Labrador to hear the Gospel. Also pray for our future co-laborers, the Dinsmores, who are already working in Labrador. Their desire is also to see God do a great work in Labrador and that many would be saved.

We have been privileged to participate in several missions conferences in Maryland, Pennsylvania, North Carolina, and a meeting in Illinois. We are looking forward to an upcoming conference in Wisconsin. God has seen fit to allow several more churches to partner with us to reach Labrador with the Gospel, bringing us to about 81% support! We praise the Lord for His provision and blessing in our lives as we endeavor to serve Him.

It was a great blessing to be home for a few nights during our home church's revival meeting. Several people accepted Jesus Christ as their Savior, and God did a great work in many people's hearts and lives.

We are eagerly awaiting the birth of our second daughter. She is due in the middle of this month. Please pray for Christy that she would have a good delivery. We will not have many meetings for several weeks after the baby comes, and we are looking forward to being home and spending some time with family after traveling so much this year.

As Paul said, *"I thank my God upon every remembrance of you."* With Thanksgiving approaching, we wanted to say an extra word of thanks to each of you. We are grateful for each encouraging note, for your prayers, and for the support that you give to us to help in our ministry. We trust that God will richly bless you and make much spiritual *"fruit that may abound to your account"* because of your part in reaching souls in Labrador with the Gospel.

For the Gospel and His glory,

Nate, Christy, and Vera Minion
