April 2016

Dear Fellow Laborers in the Gospel,

It has been a busy month since our last prayer letter! We had meetings in five different states as we finished up our deputation travels. When we finally arrived home before Easter, we began packing for our big move. Our sending church, Great Hope Baptist Church, held a commissioning service for us on March 27th. It was such a blessing to see how our home church is fully behind us and is upholding us with prayer, support, and encouragement.

We praise God for each church that allowed us to come and present our ministry to them. Over the last 20 months, we have visited 126 churches, traveled over 75,000 miles, and eaten more fast food than you can imagine! Our oldest daughter, Vera, has really grown up in the car. When we began deputation, she was one year old. Now, she is almost three. Our youngest daughter, Emma, has spent most of her five months of life in the car seat. While it has been difficult at times traveling so much with them, they have been troopers and have done quite well for the majority of the time.

We recently made an update video. It can be found with other brief periodic updates on our Facebook page: www.facebook.com/light2labrador. You may also find it on our website: www.light2labrador.com.

Please continue to pray for us especially as we spend the rest of the month packing and preparing for the big 2,100 mile move to Labrador. We will be driving our vehicle pulling a trailer containing our belongings up into Canada. Pray for safety as we travel. We will also be spending a little time with our family in IL and VA during these next few weeks. Pray the the final details of our move and immigration would come together smoothly. Lord willing, we are departing on May 7th.

For the Gospel and His glory,

Nate, Christy, Vera, and Emma Minion
