Dear Fellow Laborers in the Gospel,

We have been here in Labrador for exactly one month today! Thank you so much for your prayers as we traveled up here to Labrador last month. We want to praise God for giving us a safe and uneventful trip. It took us five long days of driving, and we are thankful that we had no problems with our vehicle or the trailer. God gave us a smooth border crossing as we dealt with the immigration officials, and we are so thankful that we are finally able to minister in Labrador!

It has been quite a busy month with unpacking, settling in, and getting involved in the ministry with our co-workers, the Dinsmores. We made it a point to meet our neighbors right away and to start establishing a friendship with them. We have also gotten busy with soul winning and outreach. The people here are very friendly, and very few have refused a tract or church flyer. However, please pray that God would open their hearts to the Gospel and give them an interest in visiting our services. We have already had three first-time visitors in the services, and one of them is planning to come back to the Bible study tonight.

Please pray for wisdom for the Dinsmores and us as we plan several large outreaches for July and August. We will have a booth at a local festival to invite people to the church and hopefully have opportunities to share the Gospel. We are also planning to hold an evangelistic meeting and a VBS/day camp. Please pray that as we work and witness that we would see people trust Christ as Savior here in Labrador.
