Dear Fellow Laborers in the Gospel,

This month has been filled with many projects in progress at the church property. We fixed some structural issues on one corner of the building, worked on various other things, and spent most of last week painting the outside. The building looks almost like new! Please visit our Facebook page to see pictures of the building facelift. Thank you to those individuals who gave to help us with the building repairs. It is a great blessing to see God providing for the needs of the ministry here.

We are looking forward to our day camp that we will be holding on August 19-20. Please pray that a good number of children would come, and that some would accept Jesus Christ as their Savior as they hear the Gospel taught and preached. We also hope to have an opportunity to reach out to the parents as they bring their kids to the camp.

Last Sunday night, we had a church fellowship and two new visitors attended the service. Please pray for us as we continue to try to build friendships. While out door knocking over the last few weeks, we have met several people who seemed open and genuinely interested. Pray for their hearts to be open to us and receptive to the Gospel as we make follow-up visits.

On a more personal note, our housing situation may be changing soon. Our landlord just notified us that he is planning to sell the house we have been renting. The way our lease is set up, we should be able to stay until January. Then, it will be up to the new owner whether we can stay or not. Please pray that God would provide the right housing situation for us, whether we can continue renting this house, or whether we have to move.

The girls are growing up quickly! Vera is quite smart and is learning new things every day. She is very active, and loves to run around in the back yard or visit the playground. Emma is almost 9 months old already, and we have to keep a close eye on her. She is a very fast crawler, and she actually crawled all the way up the stairs with no help last night.

We know that many of you faithfully uphold us before the throne of grace and intercede on our behalf. As we work in this great task of taking the Gospel to the uttermost, we are learning more than ever that we need God's help and wisdom. God bless each of you for your part in our ministry. You will never know the impact that your support and prayers make on us and on the lost here in Labrador!

For the Gospel and His glory,

Nate, Christy, Vera, and Emma Minion
