January 2017

Dear Fellow Laborers in the Gospel,

As we begin a new year, we are so grateful for each of you and your prayers and support for us! We count it a great privilege to be partnered with you for the sake of spreading the Gospel in Labrador. We look forward to seeing how God will work in our lives and in the lives of people here in Labrador in this new year. We want to say thank you to each of those who sent us an extra Christmas gift or card. We greatly appreciate your love and generosity!

We are so excited as we think about the ministry possibilities ahead of us this year. We are praying and planning, but we know that our responsibility is to sow the seed. We can plant and water, but God must give the increase. We are trusting God to do the work that we cannot do. Please pray that God would do some amazing things here this year.

We are thankful for a family who visited our Christmas program. They have heard the Gospel now several times. Please pray for K. and M. that God would continue working in their hearts. Another young family visited last Sunday. It is always a thrill to see new visitors in our services!

Please pray specifically for several things this month. First, pray that we would find some new ways to get involved in the community and make contacts. It is very difficult to be out knocking on doors when it is -20! No one wants to stand there and talk to us when it is that cold! Please pray also for Christy to have a healthy pregnancy. She has an ultrasound scheduled for January 24th. We are excited to see whether God is adding a boy or girl to our family!

We are still looking for housing as our lease ends in April. We are praying specifically for a place in town where we can continue to hold our Wednesday evening Bible study. Also, we are praying for something that is the right size to accommodate our growing family. Rental housing is scarce and expensive in our town. We know that God can open something up to us at just the right time and at the right price. Please continue to pray for this need.

For the Gospel and His glory,

*Nate, Christy, Vera, and Emma Minion*
