February 2017

Dear Fellow Laborers in the Gospel,

I want to start this update by praising God for a soul that was saved recently! K, who we asked you to pray for last month, is a young woman who was befriended by our co-workers over a year ago. She heard the Gospel several times, and came to our Christmas program, where she once again heard the Gospel. Some time shortly after the program, she accepted Christ on her own. She is hungry for the Word of God, and is excited to be going through a discipleship course. Please continue to pray for M, who comes from a hard background, and needs to be saved also.

We want to express our gratitude and thankfulness to each of the churches who sent funds to help with replacing the roof on the building. It is greatly needed, as the current roof is quite old and we do have leaks in several places. We have set a date to install it later this year. Several people from two different churches are planning to travel up and help us with the project.

At the beginning of January, one of our regular attenders decided to join the church in membership. It is a great encouragement to see the church growing! Recently, we began a 13 week discipleship course with our church people on Wednesday nights. It was a blessing to see how one person in particular was so excited to go through this study. We are praying that it will strengthen each believer and help them further understand the basic truths that young Christians need to know.

We are currently working on a community outreach during the winter. As you may recall, the property our church was given includes an old ski hill and ski lift. We were able to get some of the old equipment and the beginners hill operational. We are opening it up to the community for snow tubing on Saturday. We have quite a large group of people signed up to come out this weekend. Of course they will not be leaving the property without tracts, John and Romans booklets, and an invitation to our church services. Please pray for us as we hold this outreach, and that we would make some good contacts and be able to share the Gospel with people.

We are also excited to announce that we will be adding a BOY to our family in June! Christy has had a healthy pregnancy so far, but please continue to pray for her and the baby. Our other big prayer request is for our housing situation. We have to be out of our current place soon, and there is nothing for rent available at the moment. Please pray that God would open up the right place and it would be the right situation for our needs. Thank you so much for your prayers and support! We couldn't be ministering here in Labrador without your help!

For the Gospel and His glory,
Nate, Christy, Vera, and Emma Minion
