Dear Fellow Laborers in the Gospel,

It has been quite a busy summer! First of all, we would like to praise the Lord for several young people trusting Christ as their Savior! Last week, our church held its annual day camp. We are thankful that fellow BIMi missionary, Kelli Reese, came up to help during the week of camp. While we did not have large numbers of kids, God gave us the ones that we needed. Several of them made a profession of faith after hearing the Bible lessons and the Gospel! Two of the young people who have come to youth group several times have begun memorizing some Scripture! We look forward to working with these young people more and also trying to reach their families with the Gospel.

Prior to our day camp here in Labrador, our family was able to attend a family camp in Newfoundland. All the Baptist churches on the island get together each year for a week of teen and family camp. It was such a blessing to fellowship with the other pastors and families. Keeping with Newfoundland tradition, we were inducted as honorary Newfoundlanders by kissing a cod fish and drinking raspberry syrup! Our children also enjoyed the kids sessions and had a great time playing with other children their age. Vera did not want to leave!

In July, we were able to replace the roof of the church building. The Emmons family from our home church came up to help us, as did Pastor Homan from Newfoundland. It was such a blessing to fellowship with them and have their help with the roofing project. We are especially grateful for the churches who provided financially for the roofing materials.

Summer is quickly winding down here in Labrador, as is evidenced by cooler temperatures. We look forward to seeing God work greatly as we put more focus on youth ministries. Please pray for the young people who trusted Christ last week, and also for the ones who got saved in March. Pray that we would be able to impact their lives spiritually, and be able to reach their families with the Gospel.

For the Gospel and His glory,
